

LEBRUSH™

Product Description / Function

LeBRUSH™ is a new, patented, multifunctional home cleaning tool, specifically designed for efficient pet and human hair cleanup from carpets, rugs, fabrics, sheets and covers. Specifically designed to remove deeply embedded pet hair easily and quickly. **LeBRUSH™** has two sides (special slicker brush & lint) for cleaning different types surfaces: Pet and human hair always stays on **LeBRUSH™**, doesn't clog the vacuum, fill its bags. **LeBRUSH™** saves time, effort, money and prevents pet hair damaging vacuums and washing machine.

Target market: cat & dog owners struggling with pet (human) hair cleanup at home

Key Selling Benefits

- **triple feature:** slicker brush, lint, vacuuming option for pet (human) hair removal
